

# Prayer for Leadership

Thank you Lord, for our Theresian sisters  
and the love and friendships that we  
share throughout the world.

Guide us Lord, to continue our organization  
of women supporting women reaching out  
with gospel values.

Invite us Lord, to invest ourselves through  
the resources that God has given us – our  
energy, our prayers, our treasures and our  
talents- to work with confidence because we  
trust that our vision and mission as  
Theresians can be accomplished by  
participating in **leadership positions** in  
our organization.

Enrich us Lord, as St. Paul the Apostle  
declared, “You will be enriched in every way  
for your great generosity.” (2Cor. 9:11)

Amen
